Abstract Guideline

The abstract should be written in Times New Roman, single line spacing, and in accordance with the following guidelines:

1. Title

A clear title resembling the study that must cover at least one of the key thematic areas, including **Sustainability**, **Environmental Science**, **Energy**, **Chemical Engineering**, or **Green Chemistry**, of the conference. Font size must be **16** and **Bold**.

2. Author's Name

Full Name of the project authors with indications of their contributions in the study. Font size must be **12**.

3. Author's Affiliation

Designated department and university affiliation of the authors. Font size must be **10** and **Italic.**

4. Complete Abstract

Abstract must be written in plain text with a word limit of 250-300. Authors are requested to write about some key elements, including the **background of the work**, **objectives**, **methodology**, **findings**, **drawbacks**, and **a perfect concluding statement** of the study in a single paragraph. Font size must be **12**.

5. Keywords

Authors are requested to provide a maximum of five keywords related to the study in the end section. Font size must be **12**.

6. Name of the Presenting Author

Please provide the name of the author (underlined) who will present the work, along with his/her email address. Font size must be **12**.

7. Graphical Abstract (Optional)

Authors are requested to provide a graphical abstract (if possible) of their esteemed work attached with the abstract in the end.

Title of the study

Author X[1], Author Y[2*].

[1]*Author Affiliation, City, Country.*

[2]*Author Affiliation, City, Country.*

*Corresponding Author,

Email Address: dcba@fe.com (Author Y)

Abstract:

Graphical Abstract: (Optional)

N.B.: Authors are highly requested to provide the abstract in DOCX format. Sending the file in other formats is highly discouraged. ACS Student Chapter, University of Dhaka, also encourages the participants not to use any AI in generating texts or graphical illustrations, both in the abstract and in their poster or oral slides. Any submissions that do not meet these requirements will be rejected from the conference. Further corrections regarding the abstract may be provided in accordance with the judges' requirements.
